shore and embark on
the voyage of life.**

Dt.10.2.26

Like every year National Deworming Day(NDD) was observed in our school on 10th February to combat soil-transmitted helminth infection in children & adolescents. Safe & cost effective tablets were administered by our teachers to reduce anemia , malnutrition and to improve cognitive development.

17th February 2026

Mr. Pallab Mohapatra (CEO ARCIL) with Mrs. Saila Behera (secretary - Basundhara) formally inaugurating the Library cum. Reading room on Dt. 17.2.26.

Mr. Mohapatra had a deep conversation with the school team - how to raise the standard of these

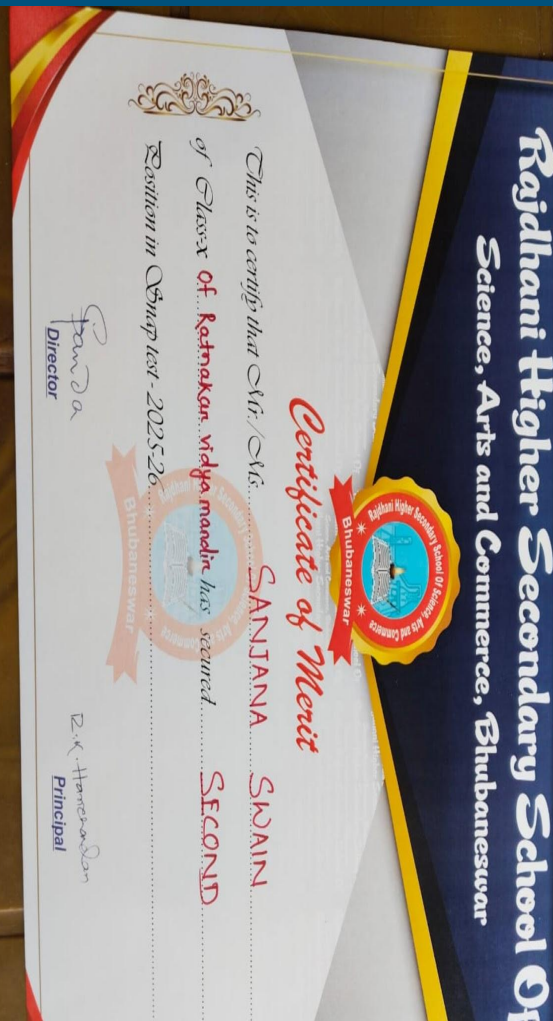

downtrodden children by applying innovative methods in the teaching learning process. In the school Mr. Mohapatra, by his inspiring speech motivated the girls to work hard and advised them never to lose confidence on one's own self, whatever obstacle may come on their path to progress because they have to dream big and prove their own worth in the society.

The girls expressed their deep gratitude for the generous gift of ARCIL in the form of the new arrangements of the class rooms, which has brought a significant convenience in classroom teaching.

Dt.21.2.26

This auspicious day "Thd Mother's Birthday" was celebrated with deep reverence in our school. Teachers and children discussed about the life and work of thd great spiritual leader, who played a pivotal role in shaping Integral yoga.

Dt.21.2.26- Our girl Sanjana - class X, made us proud by securing the second position in her class in Ratnakar Vidyapitha in snap test - organised by Rajdhani Higher Secondary School.
